Clarification of Non-Resident Membership Status:

Previously admitted as a full member of the Club and thereafter absent from the Ottawa area for the period April to October inclusive in any one year or more. This membership class allows members to maintain their RLTC membership without requiring a further initiation fee upon their return.

Restrictions: The non-resident member is only allowed to play on the courts six times per season. If the member plays more than six times they must pay the full annual membership cost.

Social members are non-playing members of the club and have to pay a guest fee every time when playing. A social member can play as a guest up to 6 times. If they wish to play more they must become a full playing member.
