

Letter from the President

26 August 2011

Dear Members,

The Board has discussed and agreed to a petition received from more than fifty Members to extend the season for the Monday and Friday Round Robins until Friday 30 September. The same format will continue.

The Board will recommend to next year's Board a continuation of this initiative in 2012 with perhaps additional sessions during the week.

I congratulate all those who brought out the cudgels of democratic action, signed the petition, and buttonholed members of the Board, to ensure this popular and successful event remained on the Club's weekly schedule.

The wonderful weather continues unabated. Those returning from their dachas are encouraged to return to the bosom of their Club for the fall season.

David Adam
