

Letter from the President

11 July 2011

Dear Members,

I write to inform you of the successful Mixed Doubles Tournament held this weekend, and to invite you to participate in the Ladies' Doubles and Men's Doubles Tournaments looming on the horizon.

The Board wishes to congratulate all thirty two participants and their colleagues and friends who supported the play. The Tournament was hailed as a great success by all.

The new format proved to be mightily successful as all matches were fiercely fought in the time allotted. The finals for flights A and B will be held at the Club on Tuesday 12 July at 1800hrs during our weekly BBQ. Come early as the Gold Seats are quickly taken.

The success of the new format was such that the Board has decided that it should be continued for the Ladies' and the Men's Doubles Tournaments. The Ladies' Tournament will be held on Friday 22 July and Saturday 23 July, and the Men's on Friday 5 August and Saturday 6 August. Notices will be posted in the Clubhouse tomorrow to allow you to register. Closing registration for the Ladies' Doubles will be Wednesday 20 July at 1800hrs, and for the Men's Doubles, Wednesday 3 August at 1800hrs.

The Tournament Committee of Paul Durand, Paul Bernier, and Craig Macdonald deserve kudos from Members; they arranged the matches to fit everyone's ambitions and abilities , and called successfully the weather gods to account.

Although there are complexities in the new format, and scheduling the draws, the Board encourages all members to sign for Ladies' and Men's Tournaments.

David Adam
