3. Initiation fees are for first year members.

## **Clarification of Non-Resident Membership Status:**

Previously admitted as a full member of the Club and thereafter absent from the Ottawa area for the period April to October inclusive in any one year or more. This membership class allows members to maintain their RLTC membership without requiring a further initiation fee upon their return.

**Restrictions:** The non-resident member is only allowed to play on the courts six times per season. If the member plays more than six times they must pay the full annual membership cost.
